We are currently seeking highly motivated and enthusiastic Financial Accountant within our Finance Team at the company's corporate headquarters located in downtown Montreal.

### **Responsibilities:**

- Prepare revenue analysis for each contract in compliance with internal revenue recognition policy and GAAP.
- Review contractual documentation, terms and conditions to determine appropriate revenue recognition.
- Calculate and analyze VSOE for company products.
- Responsible for the company's accounting for revenues, cost of revenues, and sales commissions including the monthly close process and monthly/quarterly analysis & reporting.
- Responsible for managing customer billings and interact with sales account directors for any related issues.
- Responsible for automating and streamlining the revenue recognition and billing processes.
- Assist in the preparation of the annual revenue budget and quarterly revenue forecasts.
- Responsible for identifying and implementing of improved internal controls over the revenue recognition and billing cycles.

### **Qualifications & Skills:**

- Bachelor's degree in Finance or Accounting with accounting designation, CA preferred.
- At least 5 years in accounting/finance.
- Thorough understanding of software revenue recognition rules (SAB 101 and SOP 97-2) would be an asset.
- Strong computer literacy in MS office, particularly Excel is mandatory. Experience in Accpac is a plus.
- Good problem solving skills (be able to foresee potential problems and resolve them before they occur.)
- Must be detail oriented; be able to manage multiple priorities; possess efficient time management skills; good oral/written communication and interpersonal skills and be able to work in a fast-paced environment with tight deadlines.
- Strong command of the English language. Spoken French.
